

Keith and I have been supporting each other and the Philadelphia Arts scene since the early '90s.

Our passion runs deeper than the Delaware River, our commitment stronger than the founding fathers, and our love brighter than the city's skyline.

We are devoted to the artists, the youth, and the culture of this town and want to share our plans for 2022.

Thanks for taking the time to read this. Hope you can join our crusade.

Love From Philly,

Andy & Reith
